Junior Lancer Volleyball Board Members:

Over the next couple of years, the current board members on the Junior Lancer Volleyball Board will be rotating off the board. We are looking for parents of younger players that will be interested in a multiple year board position. There are six positions on the board. The work is spread across all individuals, so that it's not overwhelming for any one person. The current team is great and is a model other Junior Programs try and follow!! If you are interested, please let us know, so we can start working on board succession.

Elmbrook Boys Volleyball:

Elmbrook Boys Volleyball (<https://elmbrookboysvball.com/>) is also growing. If you know of any 5th-8th boys that are interested in playing volleyball in the fall, please tell them to check Elmbrook Boys Volleyball out. Elmbrook Boys is looking for parents to help run the program. If you are interested in helping out the Boys program, please contact Coach Stone at stone.riley.r@gmail.com

The next email from us will be on April 1st, once registration is open.

If there are any questions regarding the above information, please let us know.

Thanks,

Junior Lancer Volleyball
